

AGRICULTURAL EXTENSION EDUCATION

Agricultural extension is the application of scientific research and new knowledge to agricultural practices through farmer education. The field of 'extension' now encompasses a wider range of communication and learning activities organized for rural people by educators from different discipline, including agriculture, agricultural marketing, health etc.

Vision :

To be a premier academic institution, recognized internationally for its contribution to industry and society through excellence in teaching, learning, research, internationalization, entrepreneurship and leadership.

Mission :

- To transform education through academic rigour, practical orientation and outcome based teaching.
- To develop and implement a relationship of cooperation between farming industry and academia.
- To undertake impactful research addressing local, national and global challenges.
- To prepare graduates to be lifelong learners with strong analytical and leadership skills.
- To develop global professionals and entrepreneurs with innovative spirit, tolerance and desire to make a difference to the society.
- Setting up an entrepreneurship development cell with a view to guide prepares and nurture entrepreneurship spirit among the students.
- To establish Cyber Extension laboratory
- To establish Agricultural Technology Information Centre (ATIC)
- Producing short T.V./Radio Programme on Agricultural related topics involving students.
- Creating a Tech-no cultural cell with the objectives of producing and enacting various mass awareness programme like- Street play, Animated Film, puppet show demonstration.
- Striving to start Post graduate Programme in Agricultural extension education with the capacity of at least 10 students.

Teaching faculty Profile:

Name	: Shri R. V. Tayade
Designation	: Assistant Professor
Qualification	: MSc (Agril. Extension) (NET Qualified)
Contact No	: 7588604152
e-mail ID	: ancaextension@gmail.com
Area of Specialization	: Agri. Extension

Name : Dr Swapnil N Panchabhai
Designation : Assistant Professor
Qualification : PhD (Agril. Extension)
 (NET Qualified)
Contact No : 7057433540
e-mail ID : swppanchu1@gmail.com
Area of Specialization : Agri. Extension
